Chapter 1 by The Art of Suffering

A/N- I got so pissed by people putting a ton of bubblegum pop songs and I seriously hated it, so here! Only rock, punk and other forms of music that fit under rock (this includes metal and death core). Thanks!

Circles by Pierce the Veil

Listen, do you hear my heartbeat thump over the monitors?
You pretend to close your eyes
Don't breathe in pieces of candy and leaks of light (Leaks of light)
Paint the floor 'round me then without hesitatin'

You took my hand and then we both started runnin'
Both started runnin', there's no place to go
Another bullet and we both started runnin'
Both started runnin' too

Save yourself, don't ever look back
Nowhere to go and so we both spin around in circles

Creepin' through these late night streets
Another dead end to the weekend but is this real life?

Paper hearts turned ash begin to fly over our heads I begin
Screaming while the exit signs read "Heaven's waiting"

You took my hand and then we both started runnin'
Both started runnin', there's no place to go
Another bullet and we both started runnin'
Both started runnin' too

Save yourself, don't ever look back
Nowhere to go and so we both spin around in circles (Circles)

And I said, "Hey, what's on your mind?"
I think about my life without you and I start to cry
And I said, "Hey, it's alright"
We'll make it, I love you and I'll never leave your side

You took my hand and then we both started runnin'
Both started runnin', there's no place to go
Another bullet and we both started running
Both started running too

Save yourself, don't ever look back
Nowhere to go and so we both spin around in circles (Circles)

Let's go

Chapter 2 by Dale Nixon

Brain Damage (1973) by Pink Floyd from *The Dark Side of the Moon*

The lunatic is on the grass.

The lunatic is on the grass.

Remembering games and daisy dilly

Got to keep the loonies on the ball

The lunatic is in the hall

The lunatics are in my hall

The paper holds their folded faces to the floor
And every day the paper boy brings more.

And if the dam breaks open many years too soon
And if there is no room upon the hill
And if your head explodes with dark forebodings too
I'll see you on the dark side of the moon.

The lunatic is in my head.
The lunatic is in my head
You raise the blade, you make the change
You re-arrange me 'til I'm sane.
You lock the door
And throw away the key
There's someone in my head but it's not me.

And if the cloud bursts, thunder in your ear
You shout and no one seems to hear.
And if the band you're in starts playing different tunes
I'll see you on the dark side of the moon.

Chapter 3 by Dale Nixon

Castles Made of Sand (1967) by Jimi Hendrix from *Axis: Bold as Love*

Down the street, you can hear her scream, "You're a disgrace"
As she slams the door in his drunken face.
And now he stands outside
And all the neighbors start to gossip and drool.

He cries, "Oh girl, you must be mad.
What happened to the sweet love you and me had?"

Against the door he leans and starts a scene

And his tears fall and burn on the

Eventually.

A little Indian brave who before he was ten
Played war games in the woods with his Indian friends
And he built a dream that when he grew up
He would be a fierce warrior Indian chief.

Many moons passed 'fore the dream grew strong
Until tomorrow he would sing his first war song
And fight his first battle, but something went wrong
Surprise attack killed him in his sleep that night.

And so castles made of sand
Melts into the sea
Eventually.

There was a young girl whose heart was a frown
Because she was crippled for life, and she couldn't speak a sound
And she wished and prayed she could stop living
So she decided to die.

She drove her wheelchair to the edge of the shore
And to her legs she smiled, "You won't hurt me no more"
But then a sight she'd never seen made her jump and say
"Look, a golden winged ship is passing my way".

And it really didn't ever stop
It just kept on going.

And so castles made of sand
Slips into the sea

Eventually.

Teenagers by My Chemical

They're gonna clean up your looks

With all the lies in the books
To make a citizen out of you
Because they sleep with a gun
And keep an eye on you, son
So they can watch all the things you do
Because the drugs never work
They're gonna give you a smirk
'Cause they got methods of keepin' you clean
They gonna rip up your heads
Your aspirations to shreds
Another cog in the murder machine
They said all
Teenagers scare
The living shit out of me
They could care less
As long as someone'll bleed
So darken your clothes
Or strike a violent pose
Maybe they'll leave you alone
But not me
The boys and girls in the clique
The awful names that they stick
You're never gonna fit in much, kid
But if you're troubled and hurt
What you got under your shirt
Will make them pay for the things that they did
They said all
Teenagers scare
The living shit out of me

They could care less
As long as someone'll bleed
So darken your clothes
Or strike a violent pose
Maybe they'll leave you alone
But not me

Oh yeah
They said all
Teenagers scare
The living shit out of me
They could care less
As long as someone'll bleed
So darken your clothes
Or strike a violent pose
Maybe they'll leave you alone
But not me
All together now
Teenagers scare
The living shit out of me
They could care less
As long as someone'll bleed
So darken your clothes
Or strike a violent pose
Maybe they'll leave you alone
But not me
Teenagers scare
The living shit out of me
They could care less
As long as someone'll bleed
So darken your clothes
Or strike a violent pose
Maybe they'll leave you alone
But not me
